REF: A. STATE 90236
[1](#)B. STATE 057296
[1](#)C. STATE 033553

Classified By: Global Affairs Unit Chief Don L. Brown for
reasons 1.4 (b), (d), and (h).

[1](#)1. (C) On September 1, EconOff delivered ref A non-paper to MFA Export Control Division Desk Officer, Nancy Reck, regarding US "small group" proposals for the 2009 MTCR Plenary in Rio de Janeiro. Reck thanked the USG for the non-paper and said she would deliver it to the appropriate authorities at the German Federal Office of Economics and Export Control (BAFA) and the German Economics Ministry (BMW). Reck expects that Germany will be able to provide feedback by September 11, as requested.

[1](#)2. (C) Reck said German export control authorities are "getting nervous" regarding the apparent lack of Brazilian preparation for the Plenary given that it is only two months away. Reck said Germany has heard nothing in terms of a venue, specific dates, nor have they seen an invitation. Murphy
